Importing Goods To the USA

Importing Personal Effects

Shipments of household goods and personal effects are allowed duty free entry, provided that they have been owned and used for at least 12 months prior to importation. Please note that you must be in the country in order to successfully complete all customs clearance procedures.

Documentation

We will provide you with the correct customs forms that must be completed prior to the goods leaving the UK, however, unless you are a US passport holder (or have a valid Green Card), you must ensure you have the appropriate visa for entry into the USA.

To avoid additional charges it is essential that documentation is completed and returned promptly.

Prohibitions and Restrictions

In general it is in your interest not to import the following items.

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Offensive or indecent material

Transit Times

Groupage or shared load consignments usually take 8 to 11 weeks to destinations via the East Coast, and 11 to 14 weeks if going via the West Coast, door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions. Sole use containers usually take 2 weeks to the East Coast and 4 weeks to the West Coast port to port, and there is a weekly service to all major ports.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.

Welcome To Britannia in the USA

Customs clearance

All consignments must be customs cleared within 5 working days of arrival, failing which the goods will be transferred to a Customs Bonded warehouse until custom clearance can be made (minimum charge approx \$200 for the first month). The time taken to clear goods through customs can be affected by Government policy, X-raying of goods, physical inspection, volume of traffic and the levy of any import duties or taxes. Charges raised by customs or Homeland Security officials will be paid for by our Britannia agents, who will seek reimbursement from yourselves prior to delivery.

Their full contact details will be provided at the time of the forwarding of your consignment. Our agents are part of our extended Britannia family and we meet with them on a regular basis to ensure high standards of service are maintained.

Storage

Should you require storage prior to delivery this can be arranged. You should expect to pay a one off storage handling fee, plus a monthly storage charge N.B. these charges are payable locally. It is vitally important that you ensure that your marine insurance policy is extended for the period of the storage.

Destination Services

Following customs clearance your consignment will be delivered to your home, on a mutually convenient date - please note this is only for customers who have paid for a 'Door to Door' service. Goods will be delivered into your new home and placed in the relevant rooms as directed by you.

Professionally wrapped and packed goods will be unwrapped and cartons unpacked onto a flat surface.

All used packing materials will be removed from site on the delivery day.
