Importing Personal Effects

Shipments of household goods and personal effects are allowed duty free entry, provided that they have been owned and used for at least twelve months prior to importation and a valid entry Visa is held (long term Working Visa, Returning Residency or if you are a returning New Zealand or Australian national). It is possible to have your goods cleared through customs before you arrive in the country, providing all the necessary documents are completed correctly.

Documentation

Britannia and our agents will assist you to complete the customs formalities. To assist us with this please let us have a copy of your passport (and visa if applicable).

Our Britannia agents will supply you with the appropriate import documentation before the arrival of your goods: which you must complete to facilitate the clearance of your consignment.

To avoid additional charges it is essential that documentation is completed and returned promptly.

Prohibitions and Restrictions

In general it is in your interest not to import the following items.

- Firearms & ammunition
- Inflammable goods & substances

- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Objectionable and indecent material

Transit Times

Groupage or shared load consignments usually take 8 to 14 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions.

Sole use containers usually take 6 to 8 weeks port to port, and there is a weekly service to all major ports.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.
