## Britannia in Cyprus

Cyprus has always been a popular European destination for people looking to move overseas. For many years Britannia has been providing an excellent door to door shipping and removal service to Cyprus. Britannia can either transport your effects by shared load (groupage), by sole use container load or by airfreight service.

## Importing Your Personal Effects

Cyprus is a full member of the EU, therefore used household goods and personal effects can be imported duty free from other EU countries. For customs clearance of EU Nationals; documentation required should be merely a copy of your passport. For NON EU Nationals a copy of your passport with relevant settlement Visa will be required. All shipments arriving from NON EU member countries will be inspected by customs. Groupage and airfreight shipments will be inspected at the port/airport. Sole use container shipments are inspected at the destination residence.

## Prohibitions and Restrictions

In general it is in your interest not to import the following items:

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Objectionable and indecent material

## Transit Times

Groupage or shared load consignments usually take 6 to 9 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions. Sole use containers usually take 3 to 6 weeks door to door, and there is a weekly service to Limassol.

## Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.

Britannia can provide a variety of complementary services to make your moving experience as efficient and easy as possible.
