Importing Personal Effects

Shipments of household goods and personal effects are allowed duty free entry, provided that they have been owned and used for at least 6 months prior to importation.

In order to clear your goods through customs you must be in the country prior to the arrival of your goods.

Documentation

Britannia and our agents will assist you to complete the customs formalities. To assist us with this please let us have a copy of your passport (and visa if applicable).

Our Britannia agents will supply you with the appropriate import documentation before the arrival of your goods: which you must complete to facilitate the clearance of your consignment.

To avoid additional charges it is essential that documentation is completed and returned promptly.

Prohibitions and Restrictions

In general it is in your interest not to import the following items.

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise

Transit Times

Groupage or shared load consignments usually take 8 to 12 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions.

Sole use containers usually take 21 to 36 days port to port, subject to which shipping line is used. There is a weekly service to all major ports.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.

It normally takes 7 to 10 days for customs clearance and delivery. The time taken to clear goods through customs can be affected by Government policy, X-raying of goods, physical inspection, volume of traffic and the levy of any import duties or taxes. Charges raised by customs or quarantine officials will be paid for by our Britannia agents, who will seek reimbursement from yourselves prior to delivery.
