Britannia has established a long standing and successful relationship with a network of dedicated removers, who will assist you with your destination services. Their full contact details will be sent to you prior to the forwarding of your consignment. Our agents are part of our extended Britannia family and we meet with them on a regular basis to ensure high standards of service are maintained.

Importing Personal Effects

Shipments of household goods and personal effects are allowed duty free entry, provided that they have been owned and used prior to importation.

All necessary documentation must be completed and submitted when requested, before your shipment is dispatched. Please note that you must be in the country in order to successfully complete all customs clearance procedures. All books, CDs, videos, DVDs and magazines are subject to physical inspection and should be packed in to separate cartons and marked clearly.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport with valid UAE residence stamped on the passport, and a copy of your visa or residence permit.

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.

Prohibitions and Restrictions

In general it is in your interest not to import the following items.

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Offensive materials or pornography

Transit Times

Groupage or shared load consignments via Dubai usually take 8 to 12 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions. Sole use containers usually take 5 to 6 weeks door to door. Please note that customs clearance normally takes between 7 and 10 days.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.
